MIZHIKI

Ties bring the best comfort.

The glass brought us a chance to reconcile.

It's midnight, again.

I wonder how many consecutive days he came home past midnight.

I bet he's forgetting what day today is.

Or actually, yesterday was.

I can't believe he forgot our wedding anniversary.

Creak...He's back.

I went out to meet him at the door to show my anger today.

"Sorry, here..."

Apologies came in advance. And on top of that, what's this?

"It's our wedding anniversary, so..."

In the box was the glass with Mizuhiki.
