moon

Bright moon at your side.

The moon in the glass was scolding me.

A man said,
"The moon landing is America's conspiracy."
A woman said,
"There are no rabbits on the moon"
An old man who heard those words murmured,
"We don't know if both are true,
but you don't understand the nobility of imagination"
I listened to the conversation as I was having a glass of drink.
Then, "You, too!" whispered the man in my ears.
I nearly dropped the glass in surprise,
and then I realized I had fallen asleep in my hotel room drinking alone.
"It was a dream..."
I murmured and looked at the glass.
There was an amber colored moon.
